

MODEL : WD85WBALPOA EAN CODEL : 8592344704253

## PRODUCT PHOTOS

## Basic information

|                                 |              |
|---------------------------------|--------------|
| Capacity (kg)<br>Kapazität (kg) | 8 kg (IEC)   |
| Type<br>Art                     | Washer-dryer |
| Color<br>Farbe                  | White        |

## POWER / CONSUMPTION

|                                                 |               |
|-------------------------------------------------|---------------|
| Power supply                                    | 220-240V~50Hz |
| Rating power/W                                  | 2000W/1600W   |
| Washing/ kg                                     | 8             |
| Drying/ kg                                      | 5             |
| Energy efficiency class for <b>washing</b>      | A             |
| Energy efficiency class for <b>washer-dryer</b> | D             |
| Spin-drying class                               | C             |

## FEATURES

|                                  |   |
|----------------------------------|---|
| Inverter motor<br>Umrichtermotor | • |
| Child lock<br>Kindersicherung    | • |
| Delay end<br>Verzögerungsende    | • |
| One touch<br>Ein Hauch           | • |
| Drum light<br>Trommellicht       | • |
| Ozone clean<br>Ozon rein         | X |

## DIMENSIONS / WEIGHT (Indoor Unit)

|                                               |             |
|-----------------------------------------------|-------------|
| Product dimension, mm<br>Produktabmessung, mm | 600*520*847 |
| Packing dimension, mm<br>Verpackungsmaß, mm   | 670*573*888 |
| Net weight (kg)<br>Nettogewicht / kg          | 60          |
| Gross weight (kg)<br>Bruttogewicht (kg)       | 65          |
| Loading qty<br>Lademenge                      | 210         |

## POWER / CONSUMPTION

|                                                   |                 |
|---------------------------------------------------|-----------------|
| Cabinet material<br>Schrankmaterial               | PCM             |
| Cabinet front material<br>Schrankfrontmaterial    | PCM             |
| Drum<br>Trommel                                   | S/S             |
| Door type<br>Türtyp                               | 48cm            |
| Top cover<br>Obere Abdeckung                      | ABS+wood        |
| Display<br>Anzeige                                | LED             |
| Buttons<br>Tasten                                 | Buttons         |
| Door open angle<br>Öffnungswinkel der Tür         | 135°            |
| Drain type<br>Ablauftyp                           | up              |
| Door type<br>Türtyp                               | Electromagnetic |
| Window/ mm<br>Windon/ mm                          | 330             |
| Door diameter/ mm<br>Türdurchmesser/ mm           | 480             |
| Drum diameter / mm<br>Trommeldurchmesser/ mm      | 530             |
| Drum volume / L<br>Trommellautstärke / L          | 54              |
| Motor type<br>Motorentyp                          | BLDC            |
| Spin speed, rpm<br>Schleuderdrehzahl, rpm         | 1400            |
| Noise level dB(A)<br>Geräuschpegel dB(A)          | 62/76           |
| Shock absorber qty<br>Stoßdämpfer Menge           | 4               |
| Max water temp °C<br>Maximale Wassertemperatur °C | 85              |
| Water inlet pipe, m<br>Wasserzulaufrohr, m        | 1.5             |
| Drain hose, m<br>Ablaufschlauch, m                | 1.35            |
