

Montageanleitung / Notice de montage / Assembly instruction

Schrank unten

Diagram illustrating the assembly of the lower cabinet (Schrank unten). The components and steps shown are:

- Side Panels (L and R):** Two side panels, labeled L and R, are shown at the top.
- Base Plate:** A large rectangular plate is shown in the center, with red dots indicating pre-drilled holes.
- Assembly Steps:**
 - Step 1: A red mallet is used to tap a red plastic cap onto a red screw that is being inserted into a hole in the base plate.
 - Step 2: A red screwdriver is used to tighten a red screw into a hole in the base plate.
 - Step 3: A red plastic cap is shown being inserted into a hole in the base plate.
- Parts List:**
 - 2x (Red plastic cap)
 - Ø5mm 10x (Red screw)
 - 2x (Red plastic cap)
 - 24x (Red plastic cap)
- Final Assembly:** The side panels are shown being attached to the base plate using red screws. The final assembly is shown at the bottom, with a red plastic cap being inserted into a hole in the base plate.
